

# 2025 ANNUAL SCIENTIFIC MEETING

September 17-19 | Chicago, IL

## Works in Progress Abstract Submission

**A new Abstract category for Works in Progress (WIP) will be piloted for the Midwest Society for Pediatric Research 2025 Meeting. Only High School Students, Medical Students, Residents, or Fellows are eligible.**

### Important Dates

Call for Abstracts, including WIP Opens: May 12, 2025

Call for WIP Closes: July 7, 2025 at 11:59pm CT

Review WIP: July 8 to 14, 2025

WIP notifications sent by email: July 16, 2025

- The top-scoring WIP will be selected for oral presentations on Friday, September 19. Other WIP will be eligible for Poster presentations.

### Please submit a Works in Progress **ONLY** if your Abstract meets the following criteria:

- You are a High School Student, Medical Student, Resident, or Fellow
- You are the Presenting and First Author for this submission
- Your submission includes a completed Background, Objective, Design/Methods
- Your Datasets and Results are incomplete as of today but will be complete by August 1, 2025

### General Information for Works in Progress

- Character count is 2,600 – includes spaces; excludes title, author's name, institution, and upload of tables and images. The submission site will not allow submission if you exceed the maximum number of characters.
- A fee of USD 100.00 is required for each submission, payable by credit card **ONLY**.
- This fee is non-refundable and does not apply towards your MSPR registration if accepted.
- All abstracts will undergo review and scoring.
