### Founder’s Award Recipient

Tom Shanley, MD, became President & Chief Executive Officer of Lurie Children’s on December 6, 2019. He is a pediatric intensive care physician and researcher who joined the organization in 2015 as Chair of the Department of Pediatrics at Northwestern University Feinberg School of Medicine and President & Chief Research Officer of the Stanley Manne Children’s Research Institute at Lurie Children’s.

Dr. Shanley champions the provision of and accessibility to the highest quality and most advanced pediatric healthcare delivered with respect and compassion. He is dedicated to achieving optimal health outcomes for children by focusing on evidence-based excellent care and further advancing care through discovery, innovation, and community collaboration
