

# Works in Progress Abstract Submission

**Only High School Students, Undergrad Students, Medical Students, Residents, or Fellows are eligible to submit Works-in-Progress (WIP) for the Midwest Society for Pediatric Research 2026 Meeting.**

## Important Dates

Call for Abstracts, including WIP Opens: May 11, 2026

Call for WIP Closes: July 6, 2026 at 11:59 pm CT

Review WIP: July 7 to 14, 2025

WIP notifications sent by email: July 15, 2026

- The top-scoring WIP will be selected for oral presentations on Friday, September 18. Other WIP will be eligible for Poster presentations.

## Please submit a Works in Progress **ONLY** if your Abstract meets the following criteria:

- You are a High School Student, Undergrad Student, Medical Student, Resident, or Fellow
- You are the Presenting and First Author for this submission
- Your submission includes a completed Background, Objective, Design/Methods
- Your Datasets and Results are incomplete as of today, but will be complete by the meeting

## General Information for Works in Progress

- Character count is 2,600 – includes spaces; excludes title, author's name, institution, and upload of tables and images. The submission site will not allow submission if you exceed the maximum number of characters.
- A fee of USD 100.00 (member) or \$120 (non-member) is required for each submission, payable by credit card **ONLY**.
- This fee is non-refundable and does not apply towards your MSPR registration if accepted.
- All abstracts will undergo review and scoring.
